

IQHAWA

Immune Boost Adults

Umuthi Wamasosha

Herbal Tonic

May Assist with:
Boosts immune system,
increases energy levels & stamina

IQHAWA Immune Boost Adults tonic is used to increase your natural ability to help enhance immune system function, with natural plant properties of immuno stimulants. Helps support energy production in body cells. Enhance nutrient uptake.

Each of the chosen herbs in this formulation, has been tested for Quality Control Standards, extracted individually and filtered through a Microfiltration System.

These potent mother tincture extracts are then articulately combined to form a herbal blend, to produce our final **IQHAWA** tonic remedy.
